*Anniversary comes too suddenly. when You
achieve*

*those Days in Your Basket Play see the Years
gone*

by the Wind, -

*What a Feel` to share so many thoughts to
tell,*

*just say The Words You can, they know you
were*

there, let this Song be Yours All Day

*Life is crawling, through stormy
Waters*

All Your friends will be waiting there

*All The Pain Will Fade and go far away
and the bright Sun will shine, -So*

*Celebrate! Just feel this precious Day!
and You will realize that was not so Hard
It was worth to pay the Price*

*Memories hunt You, - Words that have
hurt You*

*The Past forgotten all Gloom forgiven to
change*

*the Sadness for Cheerful Brightness for
Ever and Ever*

*Celebrate! You came along Your Way, so it's
the Time*

*to Find life is Really Fine long as Love is by
Your Side*

*So, it's Time to Find Life is Really Fine Long
as Love is
by Your Side.*
