Vocal A1:

Heaven,- is it a place what we are looking  
for?

Dreaming on,- about the Love we could be  
part of All?

Given us,- a life on Earth to carry fates to  
share?

All the Joy and Pain to bring Us All to Your  
Open Door?

B1: Heaven,- let Us in when it's The Time!  
We feel so cold and weak in Mind! Are You  
there wait for Us?

Heaven,- longing to Open Your Door !  
It's a Place we could be more,- in Love of  
Heaven!

Solopart A: Improv.

Vocal A2:

Heaven,- so many miles up in the clear blue  
Sky.

The Birds could fly, but they're just heading  
to the Southern Skies.

If it's there, the Place We've always learned  
as Paradise!

Believe Your Faith, it is The Only Way to  
Find That Gate!

Vocal B2:

Moonlight,- show the Way Up in the Dark  
and the Stars are in Your eyes, as You're

close here beside!

Angels,- show us The Way where to Go,  
as Long as we're behind That Door for The  
Love of Heaven- //:so let Us in We want The  
Love Of Heaven ,- ://
