

When A Woman of your Life...

Music by Johnny Varga, 2008 Summer

Lyric in English by Kiki & Johnny Varga

Lyric in Finnish- "Nainen Rakkauden" By M.L. Kallatsén

Verse 1.

When the sun goes down behind West Mountains-

I won't see your lovely smile.

When the stars will glow above the dark sky-

Would they change your heart to stay?

Verse 2.

Could it be, that You were meant to be mine-,

when You gave your love to me –

Our time has passed away so quickly,

Like the waves rushed out to sea—

Refr:

When a Woman of your Life gives her hand

keep it precious, ever so tight! -

Let the Magic of her lips light the fire –

You should never let, never let it die!

When a Woman of your Life gives her love –

You should know, you're the Luckiest guy.

her heart is beating only for You.

(TO CODA)

You're the lucky-one, Don't let her wait, Don't let her cry,

Don't let her go-, Love will not wait-

Verse 3.

Now, the Night is here, and you have gone Dear-
Here I walk the lonely beach-
I can hear your voice softly calling –
“Take me in your arms my Dear! - “

Refr. Solo 9/bars

When a Woman of your life gives her love
You should know- You're the luckiest Guy,
Her heart is beating only for You, -
You're the lucky-one, Don't let her wait, Don't let her cry-
Don't let her go— Love will not wait—

Verse4.

Like two doves could fly through the Moonlight, -
sharing love, we miss sometimes.
Let me find the way to your arms dear -,
For tomorrow it's gonna be too late—

Refrain: When a Woman..... (to Coda)

CODA:

Keep her precious love in your heart and hold,
Fill Your heart with faith that's your destiny!
Make her happy until the end of time-,
Woman -, God bless your Love!
